In the Community

Transportation Ministry

A simple ride can make a world of difference – drive older adults to medical appointments.

Handy Hands – Light Home Repair

Change hard-to-reach lightbulbs, install grab bars, assist with simple repairs and provide seasonal home safety checks.

Chores Galore – Seasonal Yard Cleanup

Work with a group to provide seasonal yard cleanup for older adults. A great opportunity for youth, scout, school and family groups.

Our volunteers are not driven by what they get, but what they give.
