

Write Your Life

Presented by Lori Jurgiel, MA, CMC

In this course you will document your memories prompted by priming questions led by a personal historian. Each class will give you tips, techniques, and instructions for getting started. **No formal writing experience necessary to complete this course.** Each week's writing assignment is based on a new theme. Participants will share their writings in small groups. Simply put, by the end of the course you will have a priceless Life Story to share with friends and family. **Fee: \$90** (price includes class materials), **PRE-REGISTRATION REQUIRED**, go to www.shepherdscenter-wk.com/programs to download a registration form or, call (314) 395-0988 for more information.
